

1:38 Women

Dear Registered Attendee,

Thank you for being such an important part of 1:38 Women! Some of you have been coming to our conferences for the past 5 years and we are most grateful. Unfortunately, due to the current situation with the potential onset of the coronavirus, we have had to cancel our conference on March 28th.

We want our speakers, our clergy, and our attendees to be safe and unfortunately, this was the only alternative. We will continue to move forward with planning a future conference and will keep you informed.

We understand that you may want a refund, and we will, of course, honor your request. Since the conference was just two weeks away, we have already incurred substantial costs. If you would consider making your registration fee a donation, we would be most grateful. However, if you would like a full refund, please send an email to: info@138women.com.

If you registered friends and family members under one email, please be sure to forward this email to these friends and family members. Thank you for your consideration and we hope that you will join us in 2021!

May God bless you and your families,

Mary Therese Craig, Executive Director
